

## **Lagondaforum: WANTED TO PURCHASE Rapier in Canada or the USA preferable**

### **WANTED TO PURCHASE Rapier in Canada or the USA preferable**

*Written by bruffsup at Apr 27, 2019 1:00 am*

Having sold my M45 project to the best possible home I thought of acquiring a turn key Rapier ( or close to it) either in Canada or the USA would be the ticket. Maybe a long shot but who knows. Anything available out there?
