DB3I sales brochures and advertising

Written by Peter S30 at Apr 29, 2009 9:34 pm

these are simply brilliant, here is an example of the cover of an original sales brochure I recently bought:

The elegant young lady is looking forward to the bright near future of a social event (opera?) her companion (husband?) is mostly cut away from the photo and the chauffeur is admiring the car.

the other image is a one-page advert in the contemporary motoring press
