Will there be any Lagonda specialist vendors and if so where? Will LMB be there? Can someone please bring me a set of HV5 carbs? If so please send me a PM !

Hi Barry,

Unfortunately September is a crazy month for me so LMB had to stop going to Beaulieu a few years ago or I would not be at work for the entire month!

I do miss it as we used to have a great BBQ and I usually ended up cooking breakfast for about 20 people! Maybe next year!

Hope the rain stays away!

Regards,

Julian
