

Lagondaforum: Spam will be removed

Re: Spam will be removed

Written by Peter S30 at Jan 16, 2012 4:39 pm

done!

We will look for better anti spam protection and removal. For now I have changed the registration a new user can only register if I let him in. He will have to pass a little exam about Lagonda or something similar...

Good idea, make sure there are a few questions about obsolete part numbers...

Spam will be removed

Written by Peter S30 at Jan 16, 2012 8:52 am

I will sort out the last spam later today, don't reply to the nonsense for now. If this happens again we will have to change the way somebody can register to the forum.

Peter
