Solex 44 PHH Carburetors

Written by Guy Vinall at Jan 20, 2012 10:08 am

Hello. Can anyone confirm which type/size I need for the following;

- Main Jets
- Air Correction Jets
- Idle Jets
- Needle Valve
- Accelerating Pump Jet
- Throttle Seals

I have purchased a copy of Alfa Romeo Repair & Tune Up which has a marvellous chapter on overhauling & setting these carburetors! Regards. Guy
