Had a great time at the recent Continental Lagonda Club Rally in Germany!

Anyone got any nice photos to share?

Regards,
Julian

Well what a great weekend - Saturdays sunny tour around the Cotswolds with a built in Hill Cimb! Tea at the Swords with a great garden for all and even(!) a great set of garages and Lagondas!

We thought last years dinner was good with 92 but at Heythrop Park there were 122! with the President being persuaded to give us a fine rendition as we have come to expect.

The sun shone both days but with a light mist first of all on Sunday - the AGM was efficiently dispatched in just on the hour, with all votes a full house majority - then a quick preview of the about to go live new Club web site, which was well received.

Then to the fine display field with its great views accross the valley and the old House as backdrop. The cars with the featured models 16.65 and 16/80s in the centre stage! A grand cicle of some 70 + cars, Judges feaverishly working to give the results soon after tea at 15.00 to the members accaim! Time to head home with memories of new friends, old ones greeted and absent friends toasted.

[What a GREAT WEEK END - WILL YOU BE THERE NEXT YEAR - ESPECIALLY IF YOU HAVE A FEATURED CARS - ALL THE EARLY MODELS BEFORE THE 2 LITRES, PLUS THE RAPIERS CELEBRATING THEIR ANNIVERSARY TOO! SEE YOU THERE, DATES TO BE CONFIRMED.](#)

Dear All,

Christopher worked tirelessly to ensure the event went smoothly at this very attractive venue and so deserves a huge vote of thanks for his efforts!

Of course the other members of the committee also contributed strongly, but it seemed to be Christopher who was busy resolving the inevitable problems such as a coach party turning up to eat fish and chips in the area set aside for the Club's drinks reception!

It was all together an amazing event and reinforced how much fun we have with our old cars.
