

## Lagondaforum: Rapide Adverts from 1961

### Rapide Adverts from 1961

*Written by SRD at Sep 21, 2012 9:54 am*

I recently found this nice little site with a fair few Lagonda period adverts, including several from 1961 for the Rapide:

Several cars shown with original number plates which can be identified.

Hi Simon, good find. There's something very nice about the graphics, the style of writing, the optimism of British industry at that time - great!
