

Lagondaforum: Another 2.6 or 3.0 litre rolling chassis on eBay

Another 2.6 or 3.0 litre rolling chassis on eBay

Written by SRD at Sep 23, 2012 2:05 pm

The ongoing stampede of 1950's Lagonda items continues on eBay.

A useful 2.6 or 3.0 litre frame with suspension and wheels, but looks pretty straight and starting price of 99 pence.

I have checked and the seller does not have any more parts.
