### 1949 2.6 saloon for sale

*Written by SRD at Aug 04, 2013 8:58 pm*

A 1949 2.6 litre saloon, with no engine, gearbox and a host of other parts missing is now for sale in Devon at a cost of £3000.

Interesting period color scheme of silver/bugundy, I am not sure if this was a factory color scheme, anyone care to comment ?

Looks to be an interesting project for someone, but with all that wood-work in the frame, one needs to take great care:
