Blown Two Litre for sale

Written by Colin M34 at Feb 25, 2008 9:09 pm

Dear all,

You may have seen the entry in the 3/3.5 litre category for an M35R belonging to a friend of mine for sale. Someone I know is intested in purchasing it for fast continental trips - without having to pay M45 prices... Ideal I say.

The prospective purchaser currently has a Blown Two Litre which he would like to sell to pay for the upgrade. This is a UK car, and has been on a number of continental trips and is fairly well known. if anyone is interested, please send me a private message with your email address and I will put you in touch with the owner.

By the way, I am strictly amateur in this respect. I am not involved in the deal and do not expect any recompense from the seller or purchaser. I just like playing with old cars in good company...

Remember the BEST cars never really get advertised, they just change hands discreetly among enthusiasts, which is what could happen through this forum...
