fadiator grille lagonda 2.6

Written by garand69 at Dec 22, 2013 6:42 am

Hello

I am looking for a radiator grille for my lagonda 2.6

if you know one for sale I am interested

thank you in advance

Have you tried Aston Service Dorset on +44 1202 574727? They dismantled many of this model in the 60/70s

Do take care, since the radiator grill for the 2.6 car is bigger than that for the latter 3.0 litre cars, and they are not interchangeable.
