Butchered Lagonda 3.0 4-door in Leicestershire

Written by SRD at Jan 16, 2014 10:58 am

Found these images on Flickr and have been in touch with the man who took the pictures. Engine and box removed from this car and a second saloon, both butchered in the last 2-3 years.

No chassis plates or registration details...

If you look at the back window of the saloon, you can see a 1993 sticker for the Monte Carlo winter Class Rally.
