Lagonda Club AGM 2014

As relatively new members we attended our first AGM weekend at Hartley Witney on 27th /28th Sept and wanted to say how impressed we were with the amount of effort that Michael Drakeford and all the committee had put in to ensure a well organised event.

We had a great time and the friendly,warm welcome we received from members left us very pleased that we bought a Lagonda and joined the Club!

Long may it continue
