

Lagondaforum: Lucas DR1 Windscreen wiper motor

Lucas DR1 Windscreen wiper motor

Written by Barrie Robinson at Oct 19, 2015 6:34 pm

The 744722 grommet (in urethane) and the Lucas label for the DR1 windscreen wiper motor is now available from the Aston Martin Feltham Club. The label, unlike other offerings, is curved and has rounded corners. The Club can be reached at www.AMFClub.com.
